SIZE Really Does Matter!

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom

GUARANTEED RESULTS

Get serious about having the longest, biggest, thickest penis possible. Don't waste any more time on creams, sprays or products that have not been proven. Start seeing real results in the shortest amount of time with Testrone with Tongkat Ali !

Imagine when your partner sees how thick and long you are. Eliminate worries about going soft or coming too soon. Maintain virility so that you can increase the number of times you can perform.

This new highly concentrated formula makes all the difference in the world. Never before has there been an all-natural formula that works as fast and effectively as this product. To increase the size and power of your penis you need a solution that works. You won't find a more potent formula for growth and development !

THE TREE OF LIFE

Have yourself a Very Beery Xmas

JUST when we thought the REAL spirit of Christmas had been FUCKED OFF by the department stores tryna rip the last bucks out of our pockets, along comes something ULTRA-BEAUT and HEARTWARMING to make us believe again.

If Perth bloke Wesley Boyd's VB Christmas tree doesn't bring a tear to your eye and an ACHE TO YOUR LIVER, you ain't yooman.

Wes, mate – RESPECT! All your work?

"The actual construction was; however, I did have support from a few mates who love VB, and helped empty some of the cans."

Thank fuck! We were about to call you an ambo. Wes, you've given so much to the world with this tree, but what would you like for Chrissie for yourself?

"Santa would make me very happy if he brought me a VB pinball machine and a VB speedway street stock car."

Heaven forbid, but what would you do if they stopped making it?

"I'd try brewing my own but I know it wouldn't be the same."

You're probably right. You also seem to have embraced bogan life. When'd ya realise you were OF THE FAITH?

"Probably the early 1980s."

What's the attraction?

"Freedom, BBQs, beers, fishing, crabbing, bonfires, burnouts, and women – whatever good times come my way."

Ah, now we're ALL MISTY! Picture

Miss Andrisani gives up the goss on her giant gazongas

WE MAKE no apologies for wanting to know all about Pommy model Claire Andrisani's FUCK UDDERS. We are, after all, seekers of knowledge.

And if we're gunna learn about something, it may as well be boobs, and let's face it, Claire's are FUCKEN TERRIFIC.

Rated as either 'DD' or 'E' on the international nork scale (depending on who's pouring the drinks), they've been featured in heaps of UK mags, as well as on the TV when she was locked in a house with a big bunch of other mega-norked stunners for one of those reality shows.

So come along for the ride. It might very well be EDUCATIONAL!

BED ZEPPELINS!

“I WONDER IF PEOPLE TALK TO ME OR MY BOOBS”

Claire, thanks for having this little chat with us. You know what we wanna talk about, but do you ever get sick of tit-obsessed blokes like us raving on about your CHEST PILLOWS?

"It's an occupational hazard, for sure. If I am honest, sometime I do wonder who people are talking to, me or my boobs."

Sorry, what were you saying? Erm...oh yeah. How much do they weigh?

"I have no idea; the same as a small baby perhaps."

Do you mind when blokes perve?

"What do you mean, 'perve'? Like, wolf whistle and that? I'm just doing my bit to brighten up their day, so it seems like a fair trade-off."

What do you do if you catch a bloke staring at your MASSIVE NORGS?

"Turn around and give him a good look at my bum, too."

Do you like to have a look at other girls' tits?

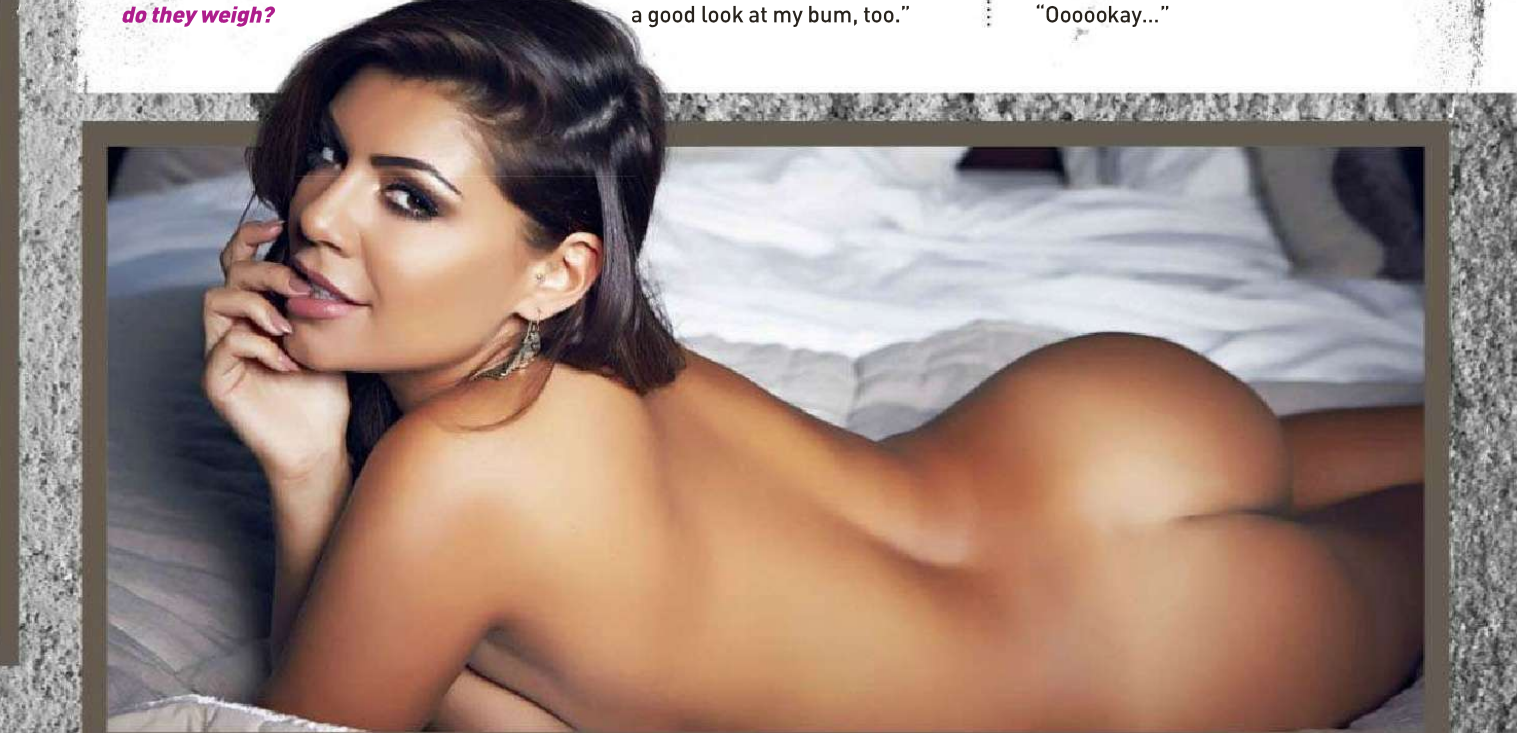
"Hey, who doesn't? I need a point of reference, right?"

Absolutely. Do you have names for your boobs?

"No, I don't. I guess I should, though,' 'cos they go everywhere with me."

Might we suggest Snugglepot and Cuddlepie?

"Oooookay..."



Alright. We can see the boob questions are wearing thin. Have you ever been to Australia?

"Not yet, but it is definitely on my bucket list. It's just so far and so expensive. So any single pilots out there, feel free to drop me a line."

Tell us something you've done that you've never told anyone else about.

"Years back, I dated a guy who worked in a shop, so one evening when the lights were off and it was locked up, I stripped off and stood in the window to see if anybody noticed, and nobody did! They all thought I was a mannequin."

We're going window shopping right now! Picture

HIPSTER CR-ISIS

THIS Pommy cocksucker with the black eye and the ASTHMATIC RAT on his lap had his moment of fame after he made up some bullshit story about being beaten up by some RACIALIST thugs, who accused him of being an ISIS supporter because of his stupid beard. He TOTALLY FOOLED the so-called journos from disgraceful English rag the *Sunday Sport*, who printed his story without verifying the FACTS. Not us, but. We did some checking, and it turned out to that he was giving a well-deserved kicking merely for being a smelly hipster fuckwit. And, try as we might, we just can't seem to find anything wrong with that.

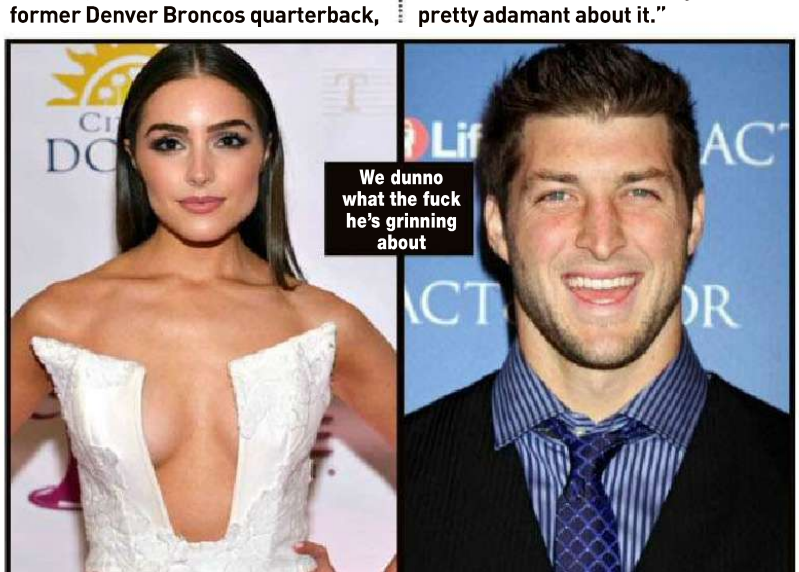
#258 WE DREW A COCK ON IT

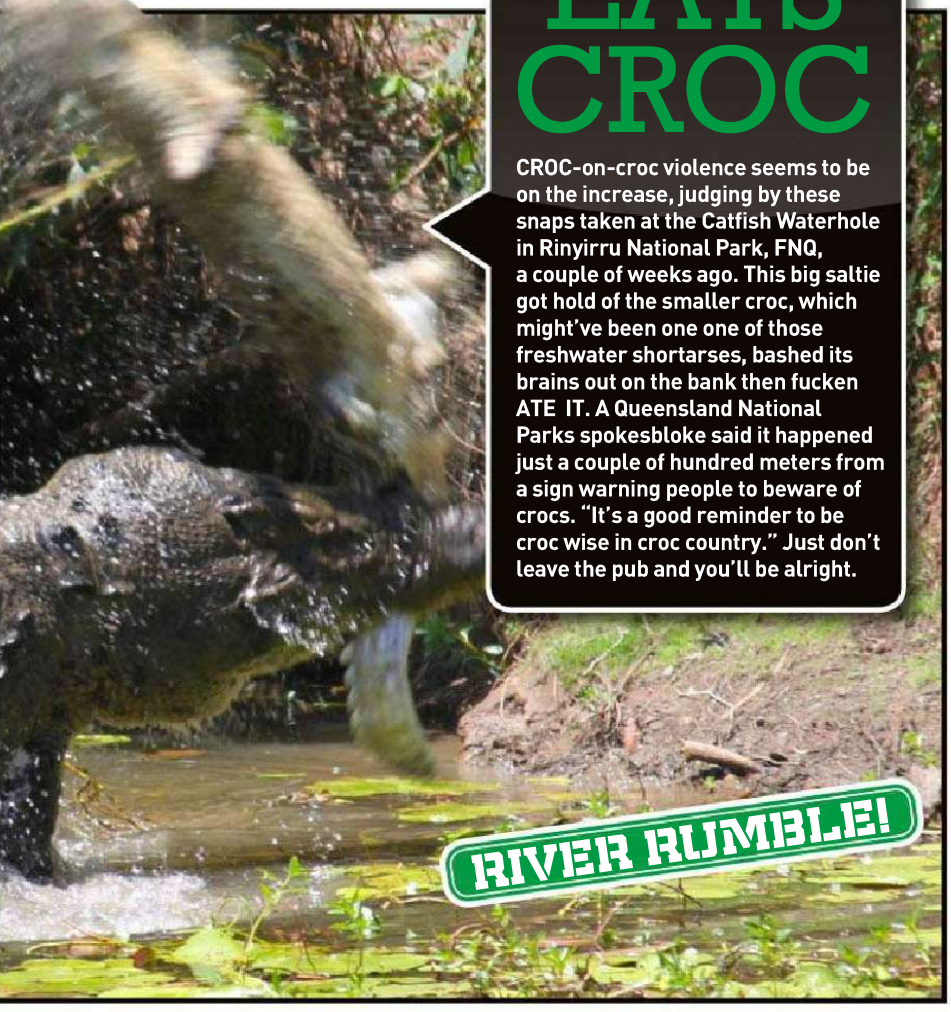
NO ROOT FOR BABE

A FORMER Miss USA has pulled the plug on her relationship with Seppo footy champ Tim Tebow because he REFUSED TO FUCK HER. Olivia Culpo, who won the title in 2012, was going cross-eyed with horniness, but the former Denver Broncos quarterback, who's a beaut CHRISTIAN, was sticking to the no-sex-'til-marriage vow he took back when he was a teenager. "She just couldn't handle it," said a pal of Livvy's. "She just can't deal with the sex thing. He's pretty adamant about it."



STOP FUCKEN PRESS

CROC EATS CROC



CROC-on-croc violence seems to be on the increase, judging by these snaps taken at the Catfish Waterhole in Rinyirru National Park, FNQ, a couple of weeks ago. This big saltie got hold of the smaller croc, which might've been one one of those freshwater shortarses, bashed its brains out on the bank then fucken ATE IT. A Queensland National Parks spokesbloke said it happened just a couple of hundred meters from a sign warning people to beware of crocs. "It's a good reminder to be croc wise in croc country." Just don't leave the pub and you'll be alright.

RIVER RUMBLE!

IT'S A SWIMBAT!

THIS wombat obviously thought he was the reincarnation of Aussie ocean swimming champ Des Renford when he took off across Woods Lake in the middle of Tassie. But he was no Dessie, and was about to drown when a couple of fishos rescued him 250 metres from shore. They dropped him back on dry land, and he fucked off without even saying thanks, the ungrateful marsupial CUNT.

WHO'S A CHEEKY BOY?

SETH Efrican rugby player Nick Schonert was laughing out the other side of his face after his cheek was sliced open by an opponent's studs in a game at Twickenham the other day. After his extra mouth was closed with 40 stitches, the Worcester Warriors prop tweeted he was okay. "Was just unlucky, but I know it wasn't intentional. Was such a privilege to play at Twickenham". Rugby people are WEIRD.

Beer milers scull four standard beers in between running four laps of a quarter mile track, while trying not to spew.

PRODUCT TESTING

EVER since Santa Claus got done for DUI in his sleigh, his missus Sandra has been running the business with her hand-picked crew of heaps spunky chick elves.

Once those other grumpy short-arses got the sack and the girls took over, output in the workshop sky-rocketed, mainly because they switched production to all the stuff THEY like.

They're still producing toys, alright – just DIFFERENT KINDS of toys.

Double-ended dildos, jewel-encrusted butt-plugs, four-speed, turbo-charged VIBRATORS with flux capacitors and reversing cameras – you name it, if it sets sheilas' twats a-twitchin', they're makin' it up there in Sandra's busy workshop.

TESTIN

So this year, the kiddies might be a bit disappointed at the lack of bikes, cricket bats, and Lego.

On the other hand, their MUMS are going to be ECSTATIC.

Every now and then, the she-elves take a break for a few Malibu's, a dance and some LEZZING-OUT before getting back to sweating it out on the production line.

When our photographer dropped in to see how the pressie production was going, he found the girls HARD AT IT, churning out the SMOO-STUFFERS, while the very lucky ones got to test them out in the quality control department.

So Sandra Claus won't be the only one CUMMING at Christmas time! Picture

Our favourite first-timers from 2015

FRESHER than a newly opened longneck and just as tasty, these BALL-ACHINGLY hot babes all made their debut in THE PICTURE in 2015.

So when the Greenies say this has been the hottest year on record, we can SAFELY asssume this is what they're talking about.

So even if, over the last 12 months, you lost your job, your dog died and your missus ran off with your ute, you can still say it's been a VERY good year. Picture

Carl's guide to Chrissie drinking

G'DAY. Giz five bucks and a partridge up a gumtree? Fuck ya then.

Carl here, with a few tips on how to get the most out of the Christmas drinking season.

As you may have fucken noticed, just about everyone in the country has been pissed since the Melbourne Cup, and will most probably stay that way until Australia Day.

So ya may as well join in. There's no point bein' a wowser about it.

Here we go. Mind your elbows. ■ Picture

THE DRINKS LIST

Beer-in-a-sock

Grab a suitably festive red sock, pour the beer in the ankle hole and suck it out through the toes. It's probably best if the sock is clean, but don't be stuck up about it. You're not Prince fucken Charles.

Grognog

The traditional Christmas drink is eggnog, made with rum, whiskey or brandy, plus milk, cream, sugar and eggs. But if, like me, you're watching your weight, that fattening shit has to go. Just stick to the rum, whiskey or brandy – or all three, if ya feelin' really Christmassy – in a cracked tea-cup, and garnish with a slice of toast.

Shampagne

Everyone likes to glug down that expensive French shit at this time of year, but my version is better. Just drop a coupla Alka-Seltzer tablets in a schooie of goon, wait for it to fizz up and you'll never know the difference. Use red goon if you like that fancy pink stuff.

CHRISSIE DRINKING ETIQUETTE

What to do if you run out of booze at your Chrissie eve party

Lots of people leave a coupla longnecks out for Santa, so I recommend breaking into your neighbours' houses and taking all the fat bastard's freebies. He shouldn't be drinkin' anyway – he's got a long way to drive.

Kissing drunk sheilas

You may as well go for it, 'cos once they sober up around the end of January, you won't have a prayer. By all means, slip in the tongue but don't go the grope without asking first, like a proper little gent.

Booze as presents

A bag of goon is a nice Chrissie present for that special lady in your life. But a bottle of metho would be considered uncouth, so save that for New Year's Eve, eh.

CARL'S CHRISSIE CAROL

(to the tune of Jingle Bells)

Gettin' on the cans
First thing Christmas morn
We'll open up some pressies
And then we'll watch some porn

Dashing to the fridge
Lookin' for an ale
I'm so glad me cousin's here
He just got out of jail

Ohhhhh giz a beer
Giz a beer
Giz a beer you cunt
Oh what fun to be off your chops with spew all down your front!

Ohhhhh giz some goon
Giz some goon
Giz some fucken goon
Squeeze the bag you fucken slag it's nearly fucken noon!

MILF-T

TASTIC!

Martina's a mother we'd like to meet

YOU'RE currently barring up to one of Australia's hottest MILFs. Naomi Watts, Tina Arena and even ISLA FISCHER pale in comparison to 40-year-old Martina from Northern NSW.

"I posed in the mag just to prove to myself I could do it," explains the ELATED cougar. "I really wanted to feel sexy again and to have some fun while I'm at it!"

Well, the blokes in your area will certainly be stoked about this.

"I don't mind. I like meeting new people and I'm now newly single."

Has it been a dry season for ya?

"Yeah, it's been a while for me. I met a nice guy a few months back. We had a great time."

How'd it go down?

"I invited him round to mine one night while the kids were at their grandparents, and we fucked for hours."

Sounds great – how come you didn't go back for seconds?

"The jerk never called me again. It was great sex, but I think he was a little freaked out that I was a mum. He would've only been in his early 20s, whereas I'm 40."

He should've been stoked to root a stunna like you!

"Ah well, I'm sure I'll find another guy."

There's nothing surer! Picture

Oz's best MAN CAVES

WHO: Mark 'Sparky' Dowling, dairy farmer, 28

WHERE: Off the highway at Berry's Creek, VIC

Bar service here is excellent

HOW LONG IT TOOK TO BUILD: It took about 12 months from start to finish. It was an old fire station, and when they moved down the road, I got it.

FEATURES: I've got beer on tap, a pool table, smoke machines, laser lights, and of course, a stripper pole. There wasn't one of those old fire-poles in here, so we had one put in, but made for strippers, not firemen.

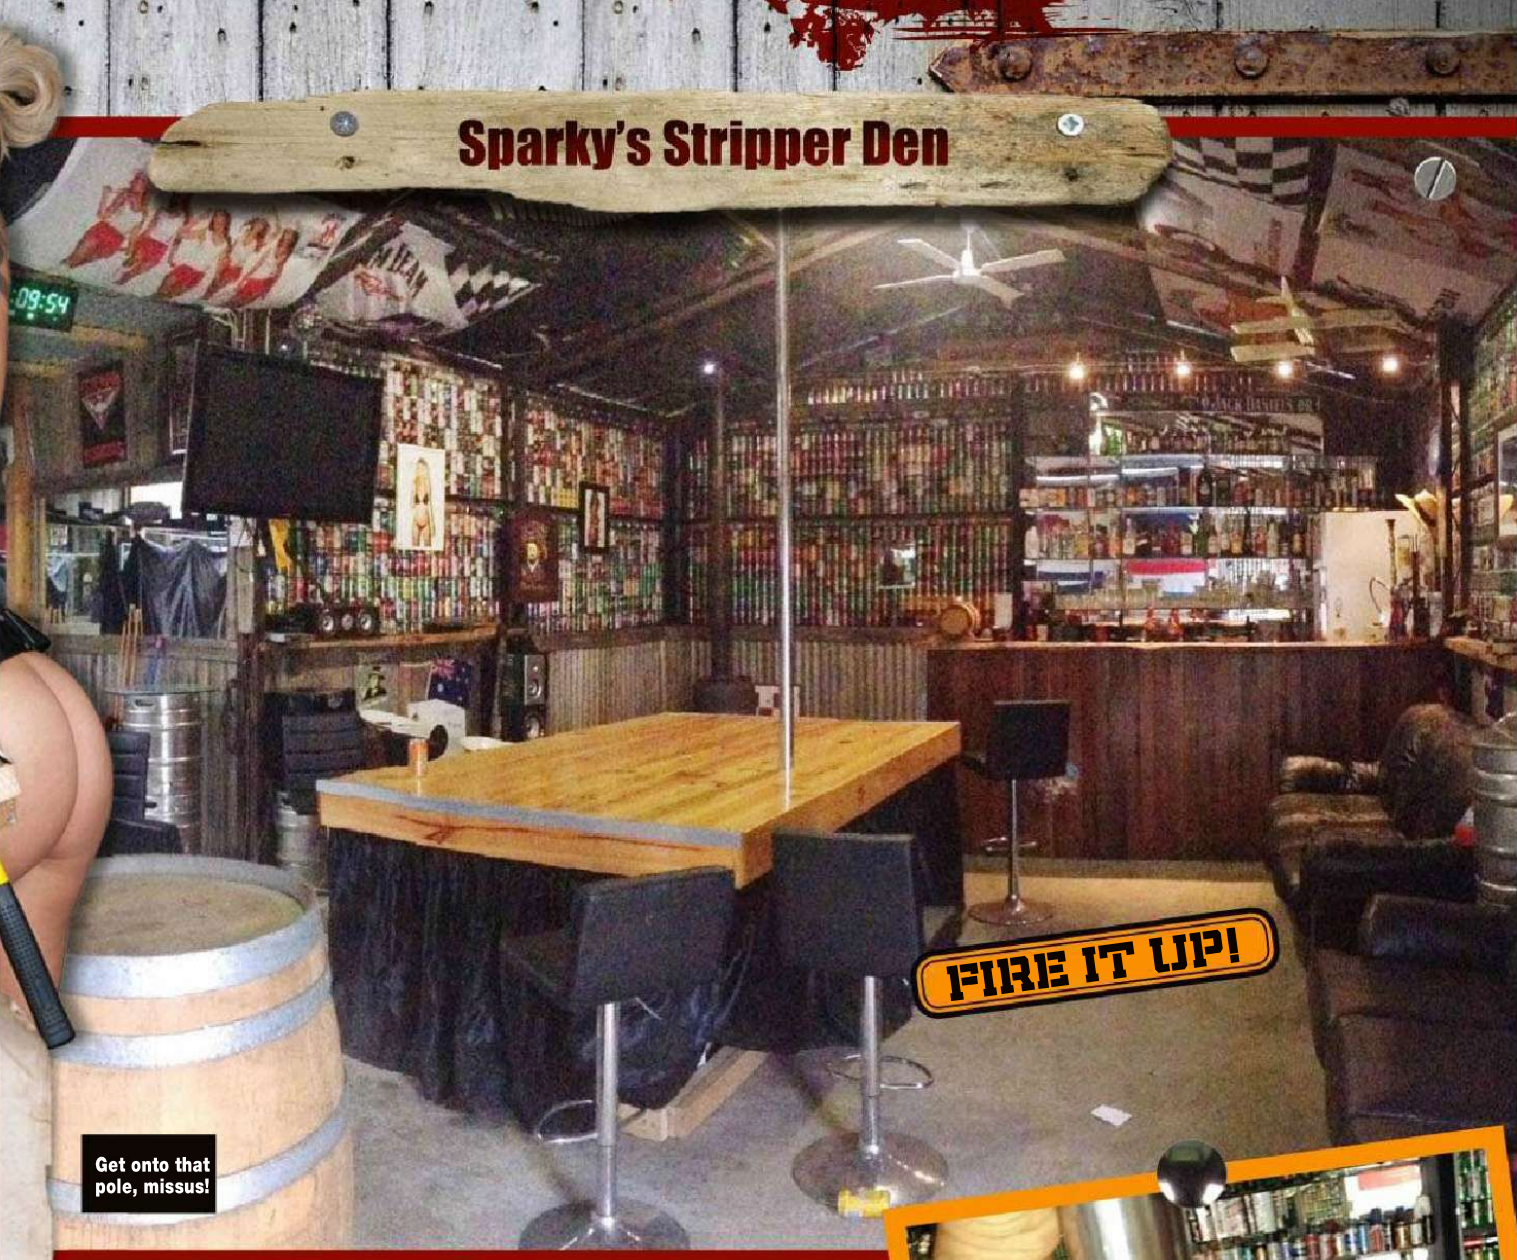
FAVOURITE FEATURE OF SHED: The beer on tap, which is Carlton Dry. And the stripper pole.

SHED MOSTLY USED FOR: Gatherings, hanging with mates, bucks parties, and twice a year, I host a stripper night where we get a few girls to come dance for about five hours.

BEST THING EVER TO HAPPEN IN SHED: I was really looking forward to a stripper using the pole for the first time. And when she walked in, she went straight over to it and right up the top of the pole – it was great!

WHY I LOVE MY SHED: It's close to home, it's cheap, and it's good to hang with my mates there.

Sparky's Stripper Den



FIRE IT UP!

Get onto that pole, missus!

EASY, TIGER

DON'T let the snarl fool ya – the German shepherd and the big stripey bastard are actually BEST MATES, having grown up together in a wildlife sanctuary in Slovakia. So while it looks like they're gunna rip each other to shreds, they're really just playing.

Suria, the Siberian tiger, and Jenny, the pooch, have known each other since they were both mere TADPOLES, along with Jenny's doggy mates, Blacky and Hugo. Now Suria's four-month-old cub Sunny has joined the gang, and every day, they romp and play and generally fuck about together, apparently unaware they should be deadly enemies. If only YOOMANS could live like this, we'd all be a lot better off. Except for eating Pal and Whiskas and shitting in a field. That'd FUCKEN suck.

Talking Dirty

100% uncensored sex advice from Australia's hottest stripper!

IVOR BIGGUN

HEY Trin, big fan! Love your bum. Now, I've seen some freakshow letters in here about all kinds of weird shit, but I am writing because I too have something of a weird problem. My cock is 18cm long when flaccid, growing to around 35cm when angry. Now, I never thought it was particularly big, and looking at a ruler, it still doesn't seem that long. But lately, my girlfriend has been saying she can only take about half of it before it becomes very painful for her. The problem is, I feel like I need to get more than half of it in to achieve orgasm. How the hell does having a biggish cock create such a problem? It's not like I can get a reduction.

DAN, COBBLETON, SA

TRIN SEZ: ***Most vaginal passages aren't 30cm long. That's a big dick for the average woman. Hence it's painful when you fully penetrate your lady, as it's smashing against her cervix. Most men with large penises face this same problem. I keep telling guys sometimes a big dick isn't such a good thing.***

BROKEN COCK

MY GIRLFRIEND has more than a passing resemblance to you (except she only has two or three little tattoos and she's not a real redhead!), and one night at the pub, some mates were asking her dumb questions about their sex lives. Anyway, the REAL reason I write is that I broke my penis having sex with my very first girlfriend not long after I lost my virginity to her. That was very painful and strange. It's healed up nicely now, and it has a beaut kink in it. For years, I would crack a stiffy and it wouldn't go down for ages and it was no fun going to hossie for that. Everyone who's climbed on it since it got better says it's a very nice ride. You're welcome to test its healing powers anytime!

WHACKER, PERTH, WA

TRIN SEZ: ***Your question is what exactly? Do I want to ride your once-broken cock? Healing powers, you say? Hmm. For who? You or the person riding it? I'll take your word for it, mate. Careful not to break it again though.***

A QUICK ONE

G'DAY Trinny, I was having a wank to your pics the other day when I wondered how many other blokes have done the same thing. Well, thinking of other blokes cocks made me stop wanking, but it also made me wonder if you get wet knowing that fellas are jacking off to your beaut bod?

JAMBO, VIA EMAIL

TRIN SEZ: ***Absolutely! I love the fact guys and girls get off over me. It's a real turn-on knowing that I bring pleasure to people's lives without even being physically near them. I hope people keep rubbing one out over me for years to come!***

WHAT'S YOUR SECRET?

SUP T, can I call you that? I feel like we're good mates now, so it should be OK. I've been a long-time fan of *The Picture*, but mostly of the advice you dish up in your column. What's your secret? How'd ya get to be so smart on relationships and stuff?

DAMON, VIA EMAIL

TRIN SEZ: ***I get a lot of my advice not just from my own experiences, but those of close friends and people around me. I love***

listening to other people's stories too, and obviously hearing of the circumstances. It's neat to be able to draw on things around me, to not only help myself but others too.

THE SPY WHO KNEW SO LITTLE

HI TRIN, my hubby has been behaving a bit funny of late and I just wanted to get some help. He's been acting really distant and even turning down sex! I've snooped around his emails and texts to check if he was cheating on me, but I don't think he is. I'm going to ask a friend to follow him for a couple of days just to make sure. What do you reckon, Trin? Am I going about this the right way?

KEL, VIA EMAIL

TRIN SEZ: *Personally, I think what you're doing is wrong; no-one ever should invade another person's private belongings. If there is no trust, then there is no relationship. If you feel strongly that he's doing wrong by you then you should reassess the whole relationship. Ask him straight out – be honest with him about how you're feeling. Simple.*

TRINITY'S SEX TIP

DON'T ever be afraid of trying new things; in most cases, you always end up liking it. You practice more, get good at it and have a hundred orgasms. Life is all about experiences, so get trying new things now!

"I LOVE THE FACT THAT GUYS AND GIRLS GET OFF OVER ME"

EX-SEX FOR LEZ BABY

I HAVE an ex-girlfriend who is now a champion lesbo, and she rang me up the other day to see if I wanted to meet up for a drink. I will admit that the thought of some blazing ex-sex had me 'compelled' to go. The weird thing was, she does want to have sex with me. The really weird thing is that she and her new partner want to have a baby. Of course, so did we, and I was well up for it, but it didn't happen. Now she wants me to come round a few times a month for the next few months for 'special cuddles', but she's making me sign an agreement that I won't 'sue' for paternal access blah blah. I'm gonna do it, I reckon. What do you think? Hard way to get sex, or a good deed?

BILLY, BRONTE NSW

TRIN SEZ: *Good deed, mate. Throw a few up her. Be sure legal documents are in order though, for both of your protection. Have fun too. Making babies should always be a happy experience!*

LOVE SQUIRTS

HEY TRIN, my boyfriend bet me $50 that he could make me squirt, and I just laughed in his face, and as I lay down to let him try it, I began thinking of ways to spend the money. Anyway, within about two minutes, I began having this strange, full sensation in my lower tummy. After about five minutes, I felt something building somewhere near my bladder. Then he put his tongue into me with some of his fingers and I absolutely drenched him with what I thought was wee at first. But he tasted it (I suspected he accidentally swallowed quite a bit) and swore it wasn't. I must admit, it felt AMAZING. Have you ever done it? I want to try it again!

SARAH, COLLAROY PLATEAU, NSW

TRIN SEZ: *Ha! Nice work, babe! Yeah, I've had a little squirt/gush here and there. Nothing crazy/ powerful/ shooting across the room, but left a big wet patch where I was lying. It's a good feeling. Keep practicing doll, and enjoy!*

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

SOCCER – or football, as soccer fans like to call it – is a tough, uncompromising game played by rugged, no-nonsense individuals who are a credit to the spirit of sportsmanship.

HA HA HA HA HA HA! Yeah, we thought you'd like that one. OK, stop the tittering up the back, wipe those tears of laughter from your eyes and let's get on with this.

Midfielder with the Honduran national side, Luis Garrido, suffered this EXTREMELY SHITHOUSE leg injury during a World Cup qualifier against Mexico the other day.

Garrido came in for a tackle on Mexico's Javier Aquino and Aquino went to ground. Unfortunately, Garrido's leg was underneath him, and erm... you know how knees are only supposed to bend one way?

Well, Garrido's knee suddenly became a TWO-WAY job.

It was partially hidden in the tackle, so at first it wasn't obvious what had happened, but when the video was played back – again, and again, and A-FUCKEN-GAIN – it became SICKENINGLY CLEAR that Garrido wouldn't be dancing the Macarena again anytime soon.

He'd torn both major ligaments in his knee, and faces a long spell on the sidelines and a few ops before he's back in action again.

It's a cunt of a thing to have happened to the 25-year-old rising star, who also plays for Houston Dynamo, and our black, miserable hearts go out to him.

The trouble is, with soccer players you never know when they're faking it, so just to be on the safe side, we'd better say it – GET UP YA SOOK! Picture

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

https://twitter.com/ThePictureMungo

HOWDY Y'ALL!

HEY Mungo, old cock. The missus bought this turkey for Xmas dinner and said it was my job to stuff it. I couldn't handle it – it was way too tempting for me.

W.S., BELMONT, VIC

MUNGO SAYS: Geez, don't tell me you... nah, you wouldn't have. You couldn't have. And if you did, you sure as shit shouldn't have. Mind you, the modern hairless moot can look remarkably like a plucked fowl in bad lighting, so I'm not blaming you. As a matter of fact, I'm cracking a big turkey stuffer right now just looking at that picture. You and me, we're just a couple of sick puppies, W.S.

CHUNK IT UP

MATE, there seems to be a push for more chunky babes modelling these days instead of the walking skeletons, and I'm all for it. I'm like you, built for comfort not for speed, and bony babes just don't do it for me. Let's hear it for the babes with a bit of meat on their bones. What do you say, Mungo?

J.T., ROCKDALE, NSW

MUNGO SAYS: I may be comfortable, but I'm pretty quick, too. Ask any woman who's had the pleasure. I'd much prefer a well-rounded babe like that comedian chick Amy Schumer than some famine victim who looks like she's that hungry she'd bite the arse out of a low-flying duck. And I hate to eat alone.

THE BIG ELLE

HI MUNGO. A mate of mine has just returned from an overseas trip and was greatly impressed by the Statue of Liberty in America and the huge Jesus overlooking Rio. He thinks we should have something similar in Oz. His idea is for a 200-metre high statue of a nude Elle MacPherson on an island in the middle of Sydney Harbour. But I would prefer it to be Miranda Kerr. What do you reckon, Mungo?

PAUL, NO ADDRESS GIVEN

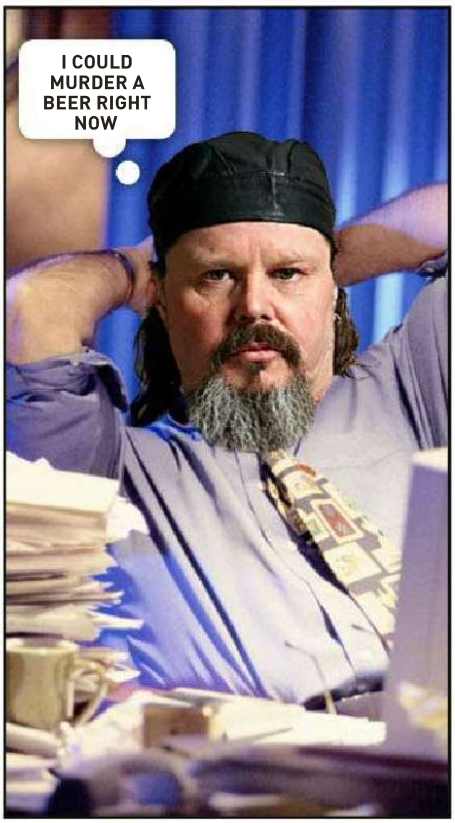
MUNGO SAYS: First off, I'd just like to say this is the sort of progressive thinking that we need in this country, so buy your mate a beer. He's prime minister material. As for who the statue should be of, call me an old traditionalist, but I go for Elle. Nothing against Miranda, but Elle was a pioneer in the field of international spunkiness and deserves the honour. I can't wait to sail between her legs.

ARK OFF

MUNGO, I just wish the Greenies would make up their minds and tell us how far the sea level is gunna rise so I can start buying up cheap land that one day will be valuable waterfront property. Is it gunna be a metre, six metres or what? I also want to build a 25-metre yacht in my backyard and not have to pay to have it trucked to the ocean, so I need all the available information.

M.K., MOUNT DRUITT, NSW

MUNGO SAYS: You're not thinking of stuffing your boat with two of every critter and sailing around the world like that Noah cunt, are ya? 'Cos if you are, leave the funnel webs, red-bellied black snakes and council building inspectors behind to drown, eh. They're no use to anybody. I'm a bit shaky on the exact figures, but my hope is the seas will rise just far enough so I can ride my jet ski to work.



ON THE JOB

DEAR Mungo, I've just completed another performance evaluation at work. I've got to come up with all these ideas on how my performance has improved and how to make it even better next time round. It gets harder every year. I'm only a pleb but I have to perform like a CEO. How do you get through these things, Mungo? Do they send you off to work experience at Take 5 to broaden your skill?

E. K., KIRWAN, QLD

MUNGO SAYS: I treat these things just like a parole board hearing – just smile and nod and suck up to the bastards as much as you can. A little lying doesn't go astray either. If all else fails, a case of scotch delivered to the boss's home address should do the trick. And my skills are broad enough as it is. Fucken obese, they are.

MUNGO WANTS TO KNOW...

Anyone out there invented anything nifty lately? A lawnmower with a draft beer dispenser? An outboard motor/pie-warmer hybrid? Even if you haven't built it yet, bung me some rough plans, and if it intrigues me, I'll pay you some dosh.

"Gotcha", thinks the waitress, who has been waiting for this day to get her revenge: she drops 14 ten-cent coins onto the floor.
"Your change," she says with a smug little smile. The man produces four fifty-cent pieces and a twenty piece and places it on the table. "I'll have another large cappuccino, please."

Aussie Angela White is hotter than ever

Andrew K

"I HAD TO GET ON MY HANDS AND KNEES"

EVER wanted to bang a pornstar with GINORMOUS titties? Does the POPE shit in the woods? How 'bout champion Aussie rooter Angela White? Course ya fucken do! Well, now's your chance.

Some SCIENTISTS somewhere decided recently to pour some goo in her smoo and make a squishy, fuckable mould of her map of Tassie. "My vagina had to look aroused when they created the mould," explains the BEAUT Melburnian.

"I was taken to a small room and got to choose a toy to masturbate with, before they made the cast."

And what weapon of DELIGHT did you choose?

"I MASTURBATED IN A ROOM FULL OF PEOPLE"

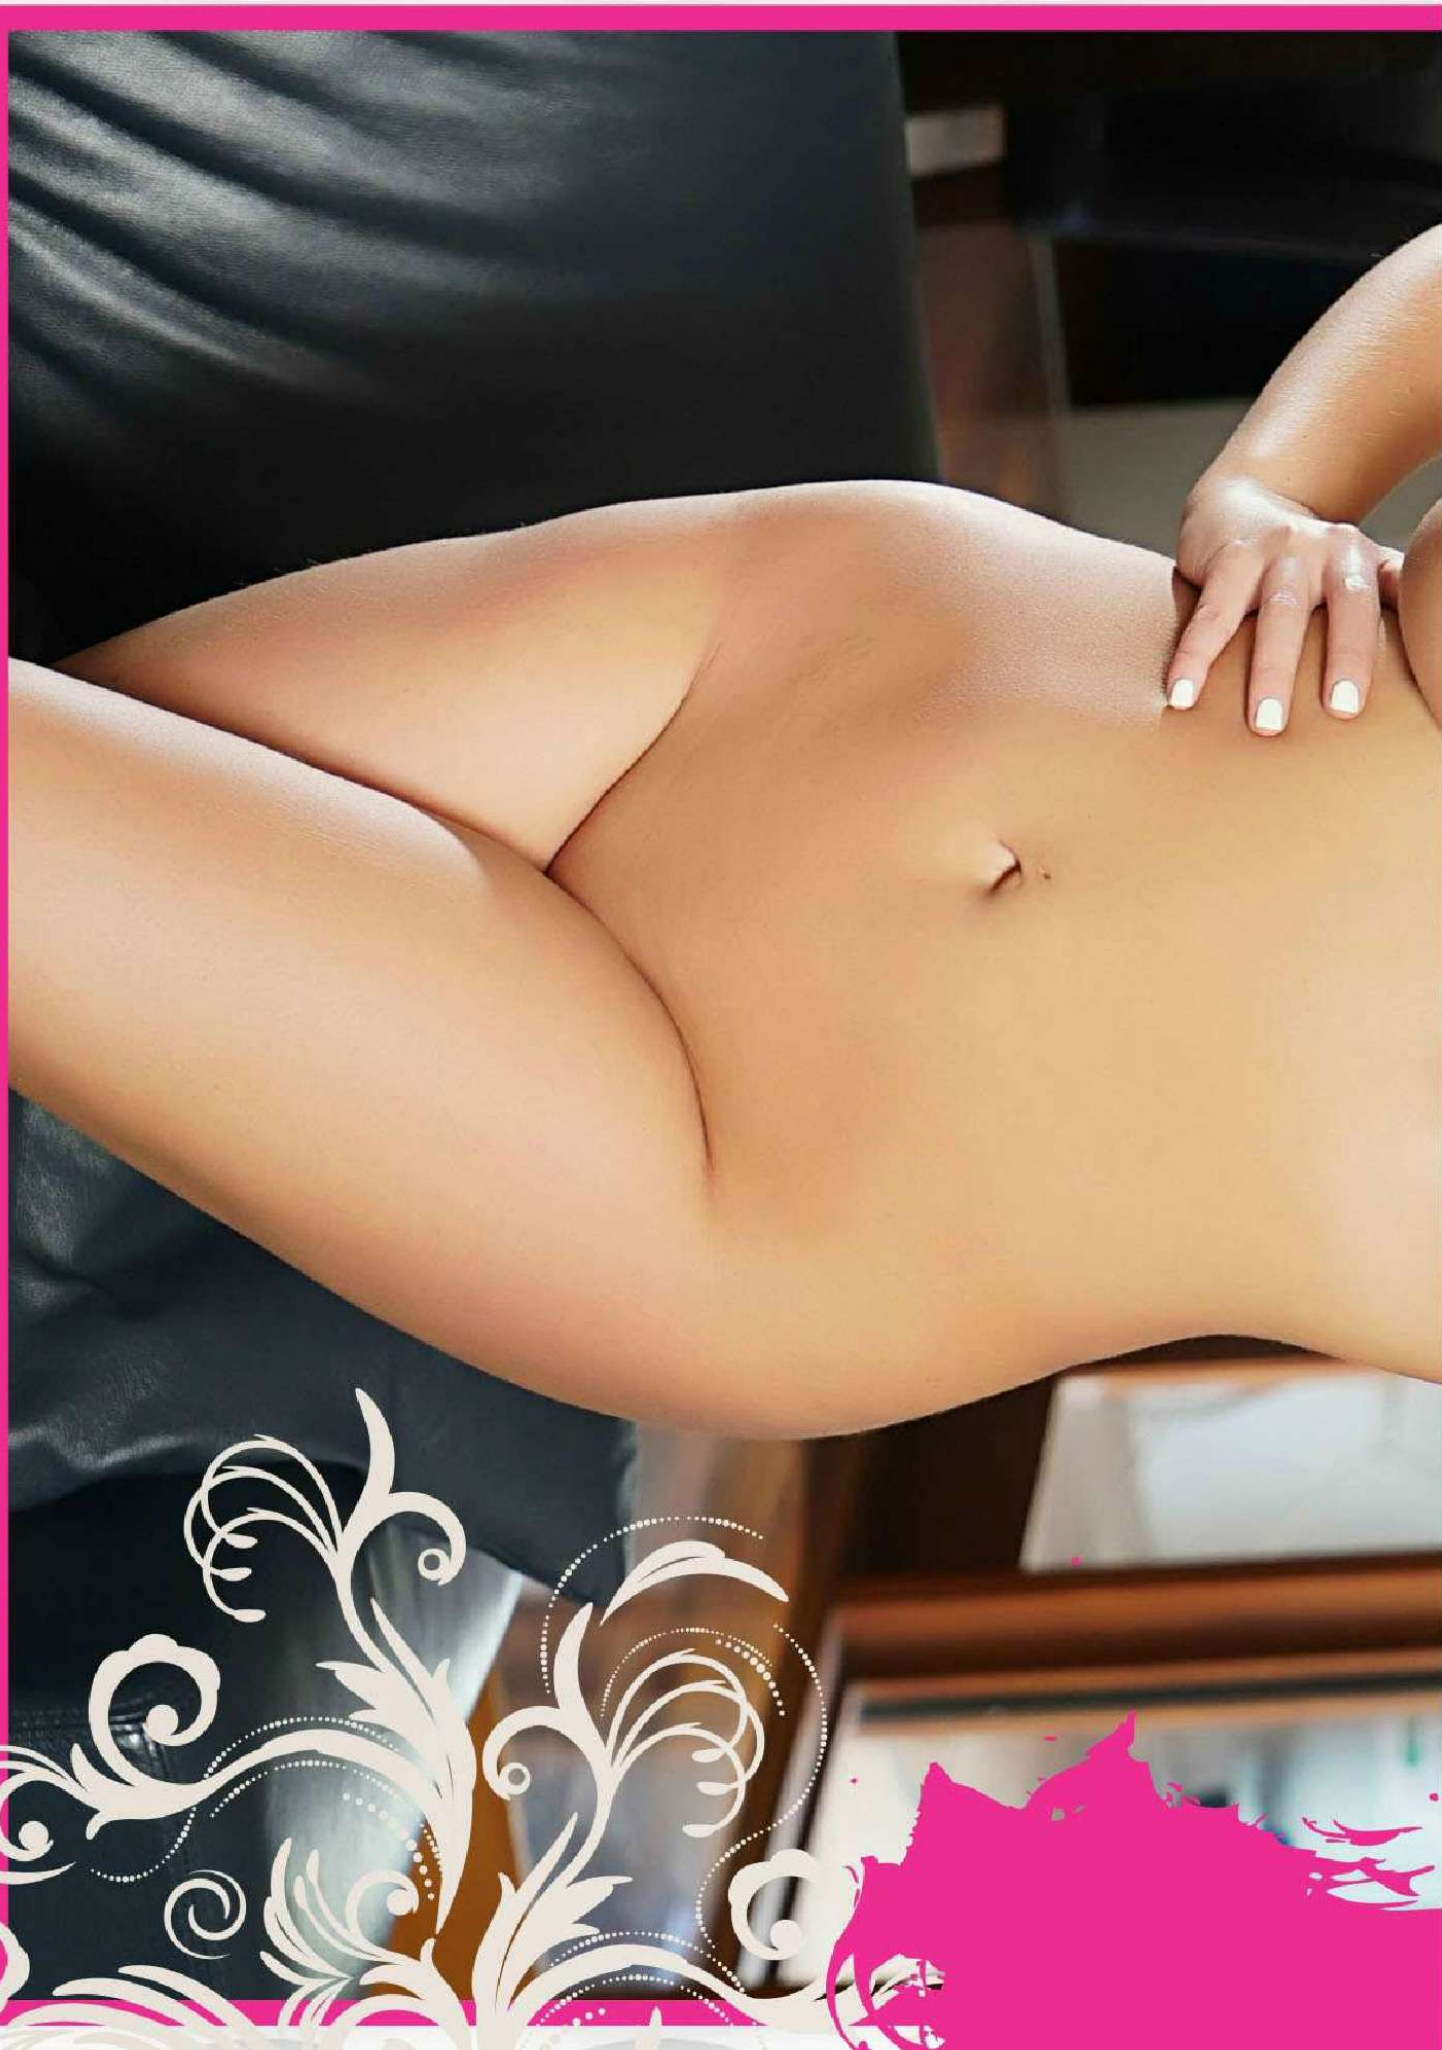
"I chose a Hitachi – every girl's best friend! So I lay down on this little bed and masturbated myself in front of a room full of people. Then when my lips were engorged and my clit was enlarged, and just as I was about to orgasm, I had to stop and let them get to work."

Work, eh? These blokes must get real stressed...

"Firstly, they smeared some Vaseline over my pussy, so the goo wouldn't stick to my skin, and then held my legs apart and put the stuff on my vagina."

How'd that feel?

"It felt quite nice, actually. As the goo hardens, it begins to warm, and that kept me quite aroused. Then they did my butthole."



PIN-UP

They put the GOO up your bloody clacker too?!

"Yep. I had to get on my hands and knees for that one, so it wouldn't drip down into me. There are photos on my website (www.angelawhite.com)."

Do you get WET knowing blokes the world over are fucking you?

"I love it! But it's not just the guys who are buying it. I've heard girls say they'll get it for their man as a Christmas present!"

Are you into a certain style of TONKING at the moment?

"I really like variety, not just in my sex life, but with my food, books, films."

What's next for those MAMS?

"My last DVD featured a lot of rough sex, so I might do a bit more romantic, sensual stuff. I love what I do. I won't be stopping anytime soon."

CANDY

SWITZERLAND, EUROPE

POPULATION: 8.2 million

LANGUAGES: German, French, Italian and Romansh

AVG. BRA SIZE: 36C

WE'VE NEVER MET A SWISS PERSON BEFORE – WHAT ARE THEY LIKE?

The Swiss are a peace-loving people who spend much of their time yodellling, climbing mountains, eating melted cheese, making watches and fucking about with their pen-knives. Tennis champ Roger Federer's Swiss, although we've never heard him yodel. He probably can, but.

WHAT'S CANDY'S STORY?

She'd been waitressing in Zurich since she left school, waiting for her big break in the modelling business. Not surprisingly, it came as soon as she took her clothes off. Then it was goodbye melted cheese, hello perky nipples and open smoo shots.

CAN SHE YODEL?

Of course she can – she's fucken Swiss, isn't she?

YOU'D THINK SHE'D BE A BIT CHUBBY, WHAT WITH ALL THE CHEESE AND CHOCCY, BUT SHE LOOKS PRETTY FIT.

Put that down to the mountain-climbing. Candy'll knock over an Alp before breakfast, then maybe another one after work, yodelling all the way.

WHAT SORT OF KNIFE HAS SHE GOT?

One of those big fuckers, with a wood saw and a slide rule.

She once built an aircraft carrier with it in craft class at school. Quarter scale, of course.

DOES SHE DO ANYTHING THAT ISN'T A FUCKEN CLICHÉ?

She plays banjo and sings in a bluegrass metal band on the weekends. They had a local hit with their bluegrass-death metal crossover tune, *The Hills Are Alive (And They Ate My Sister)*.

DID IT HAVE YODELLING IN IT?

What do you fucken think?

DOES SHE HAVE ANY AMBITIONS TO VISIT AUSTRALIA ?

Unfortunately, not at the moment. What with her on-going modelling, mountain-climbing and banjo-picking committments, she's got a pretty full schedule for the time being. Sorry about that.

WHAT A PITY, 'COS WE WERE REALLY LOOKING FORWARD TO YODELLING UP HER VALLEY. HA HA HA HA HA!

Oh yeah, like she hasn't heard that one before. Picture

Pole
POSITIO
Chloe Rose is one of the hottest strippers in Australia
Made in
Oz Girl

Dwayne Olsen

YOU know those chicks who look hot, but aren't really into drinking, partying and TAKING OFF THEIR CLOTHES in clubs? We're happy to report that 21-year-old Chloe Rose is NOT one of them.

"I'm currently stripping in Adelaide," purred the stunning Queenslander. "The people here are really nice. They're enjoying my shows."

Are you ATHLETIC in your rooting life OFF-stage?

CHLOE'S GOT IT GOING ON...

"THERE WERE THOUSANDS OF PEOPLE SCREAMING"

Made in **Oz Girl**

"Oh, you know, I like to get really, really rough and naughty and dirty."

That's music to our cocks...

"One thing that pole dancing has given me is a lot of stability, so..."

We can recommend the ceiling fan.

"Ooh, that's a good tip. I could do that."

Just make sure no bastard turns it on while you're up there.

"I'm pretty good with moving objects. I have a strong grip."

You sound like one of the nicest strippers we've met.

"Oh, you know, it's part of who I am. I dance and I'm bubbly, with a cute persona. I want to be the sexiest ever dancer, and that's what people like. Well, the nice ones do."

You don't get too much rough stuff or weirdos, then?

"No, not now. People are really sweet to me, and they're always encouraging. They come in and just... fall in love with me, I suppose."

We can't blame them.

"But you do get those people who get you down. It can be a horrible industry like that. But it's all about your perspective and really, you don't have to talk to everybody. But I love my job and nine times out of ten, I have a great night."

Made in Oz Girl

"I LIKE TO GET ROUGH AND NAUGHTY AND DIRTY"

Where are you living these days?

"Oh, nowhere really. I've been on the road for months, going from place to place, all over Australia. It's been the most amazing experience. I really am a gypsy at heart. I left home when I was 15."

What's the best experience you've ever had?

"Oh, that's easy! I was dancing at Sexpo, and I looked out after I'd just finished my dance and there were thousands of people screaming for me. I felt tingly. I couldn't believe it – I'd just pulled off my best dance manoeuvre in front of the biggest crowd I've ever seen. All those camera phones were out, filming me. I knew that if I stacked, it'd be all over the internet by lunchtime so I had to get it exactly right. And you know what? I did." ■ Picture

My Public Fuck

I CAN'T play tennis very well, but chicks running around getting sweaty and lots of cameltoe always does it for me.

That's why I kept showing up to this Sunday morning social tennis game. A group of us had a permanent booking, including this one hot babe, Yvonne, who couldn't play for shit either.

One Sunday, I staggered down to the court hungover as buggery, and Yvonne arrived, as hungover as me, so we started having a shaky warm-up hit.

After 10 minutes, no-one else had shown up, so we sat down in the middle of the court and swilled the couple of cold beers I'd brought for after the game.

I could see Yvonne's moist smoo through her panties and I started cracking a hangover horn. She saw it, grinned and slid her hand up the inside of my shorts to give it a rub.

My hand went to her crotch, and as I slid one finger into her wet snatch, she moaned and spread her legs.

We couldn't help ourselves – we lay down next to the net and started making out like crazy. The next thing I knew, Yvonne pulled me over on top of her, her panties were off and my dick was into her.

Even though there was nobody on the courts either side of ours, you could have seen us from a hundred metres away, but we were too into it to care.

Yvonne wrapped her legs around my waist and held on tight as she had a screamer of an orgasm and I wasn't far behind.

Then someone from the office came down and yelled at us to cut it out, so we fucked off. The next week we had to explain to the others why the courts had cancelled our permanent booking.

LUCKY TRUCKIES

WHEN we go on driving holidays, my girlfriend Robyn loves to give the truckies a show to relieve the boredom of the long haul.

She'll strip off except for a loose shirt, and whenever she sees we're about to overtake a semi she'll whip it off and arch her back up in her seat so the lucky truckie gets a good look at her all-over tanned bod.

Often, she'll be blowing me as I drive, with her arse up against the window so they get a look at her furry spadger from behind. Being seen just turns her on even more, and then she'll insist on pulling over so I can fuck her.

Mostly, we do it inside the car, but one time out west, we were on a deserted road with only the odd road train going past, so she thought she'd put on a special show for the boys.

I parked on the side of the road and she got out of the car completely naked, walked around to the back and spread a blanket over the boot. She sat on it and spread her legs so I could manoeuvre myself between them.

I was pumping away when we heard the sound of a truck coming, and then she wrapped her legs around my back and really started humping her hips up and down. As the truck came alongside us, she gave the driver a friendly wave over my shoulder, and he showed his appreciation by giving a few blasts on his horn.

We did this several times during the day, which really slowed us down, but what the hell, we weren't in any hurry.

Late that afternoon we pulled into a truck stop for a coffee and something to eat, and as we walked in, some truckies gave us a big cheer. I guess they must've recognised the car.

ORGASMS AT SUNSET

MY BOYFRIEND Rob and I were having a holiday in Ibiza, going nuts in the clubs at night and sleeping most of the day before getting up and going again.

After a week or so of this, we were pretty knackered, so we changed over to the western side of the island where the scene was a little more laid back. The big deal over there was the sunset – everyone gathers in the bars on the waterfront and gets hammered watching it.

Our room was in a waterfront hotel facing due west, so we set ourselves up on the balcony with a bottle of wine and waited for the show. It was hot, so we were just wearing our cossies, and by the time the sun was hitting the horizon, we were half cut and pretty horny.

I was standing up leaning on the balcony railing and when Rob came up behind me, I could feel his cock pressing up against my arse.

I immediately wanted him to fuck me, but I didn't want to miss the sunset, so I reached behind me and started wanking him off with one hand, while I slid my bikini bottoms down with the other.

As the crowd was going "oooooohhh" over the sunset, I was going "aaaahhhh" when he pushed that bad boy into my hungry smoo, and started a slow grind.

I took a solid grip on the railing and pushed my hips back as he picked up the pace, all the time listening to the crowd below making what sounded like encouraging noises. As the sun finally disappeared, the crowd cheered and my knees went wobbly as I popped out a corker of an orgasm. Rob's lovely cock spurted inside me and we collapsed back on our deck chairs.

Then I looked at the balconies either side of ours and saw other couples doing exactly the same thing.

BEAUT BUM ASK THE HOMIES BEDROOM BABE TOP TITS

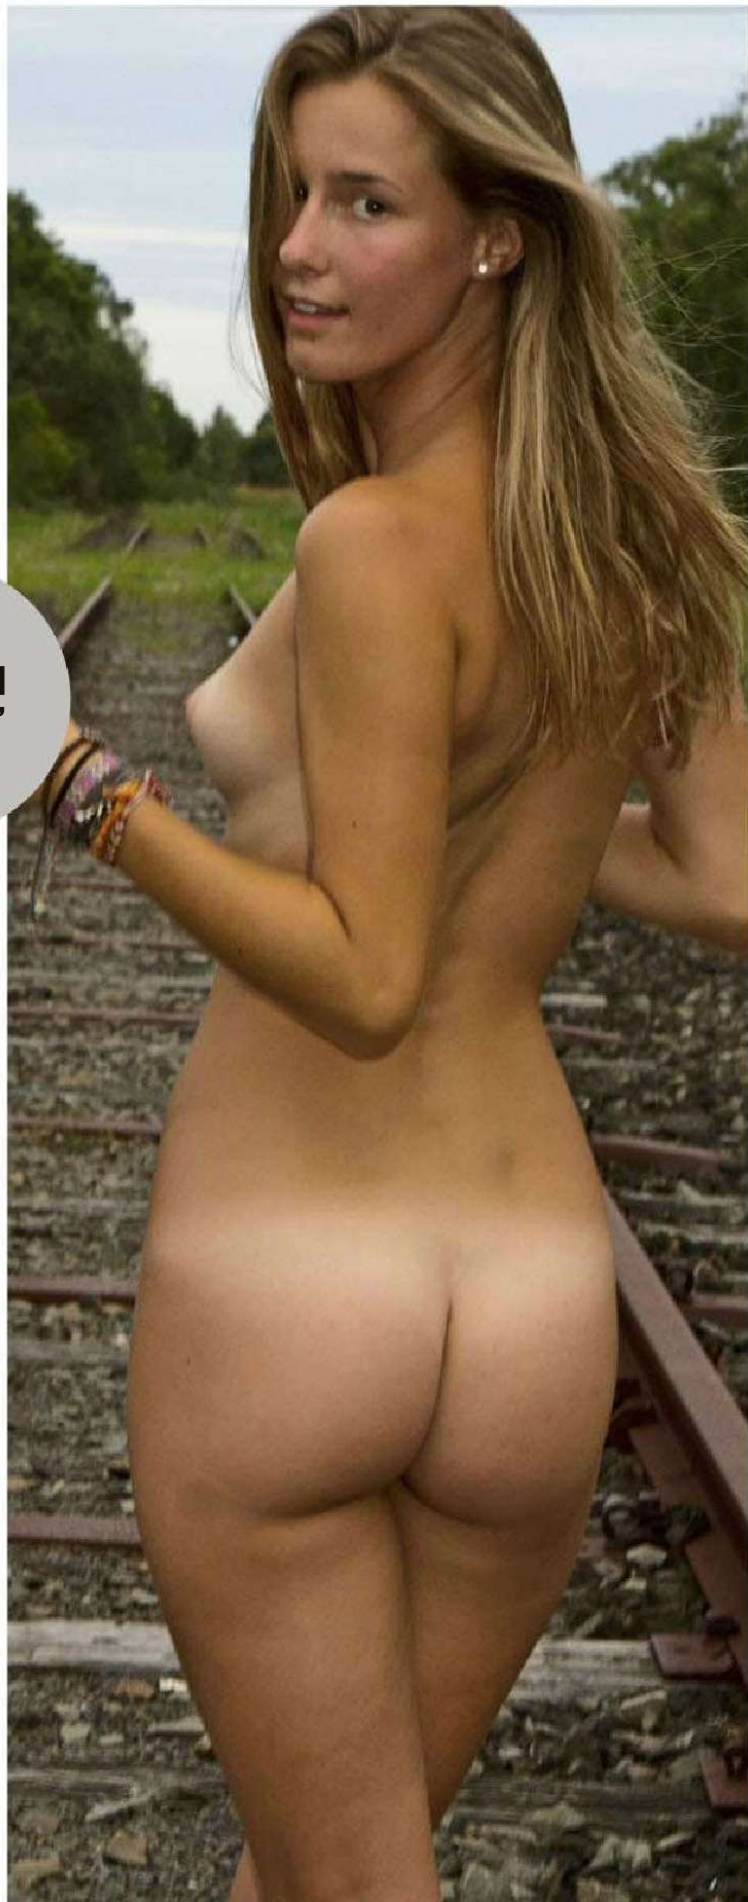
CHLOE
STUART PARK, NT

"I'm really a tomboy that likes camping, fishing, motorbikes, water sports and playing in the mud," says slender promo model Chloe. ***Is there much call for tomboy promo models?*** "I can be a girly girl, but deep down that's what I am really like. I also love summer, the beach and I love to surround myself with positive and uplifting people." ***We'll try to be CHIPPER AS. What does summer hold for you?*** "This summer, I'll spend a lot of time down the beach and up the river. The river is my favourite place, and I love jet-skiing, kneeboarding, wake boarding and relaxing on the banks, or on amazing ski boats." ***If you're there, the river might become our fave spot.***

HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY?

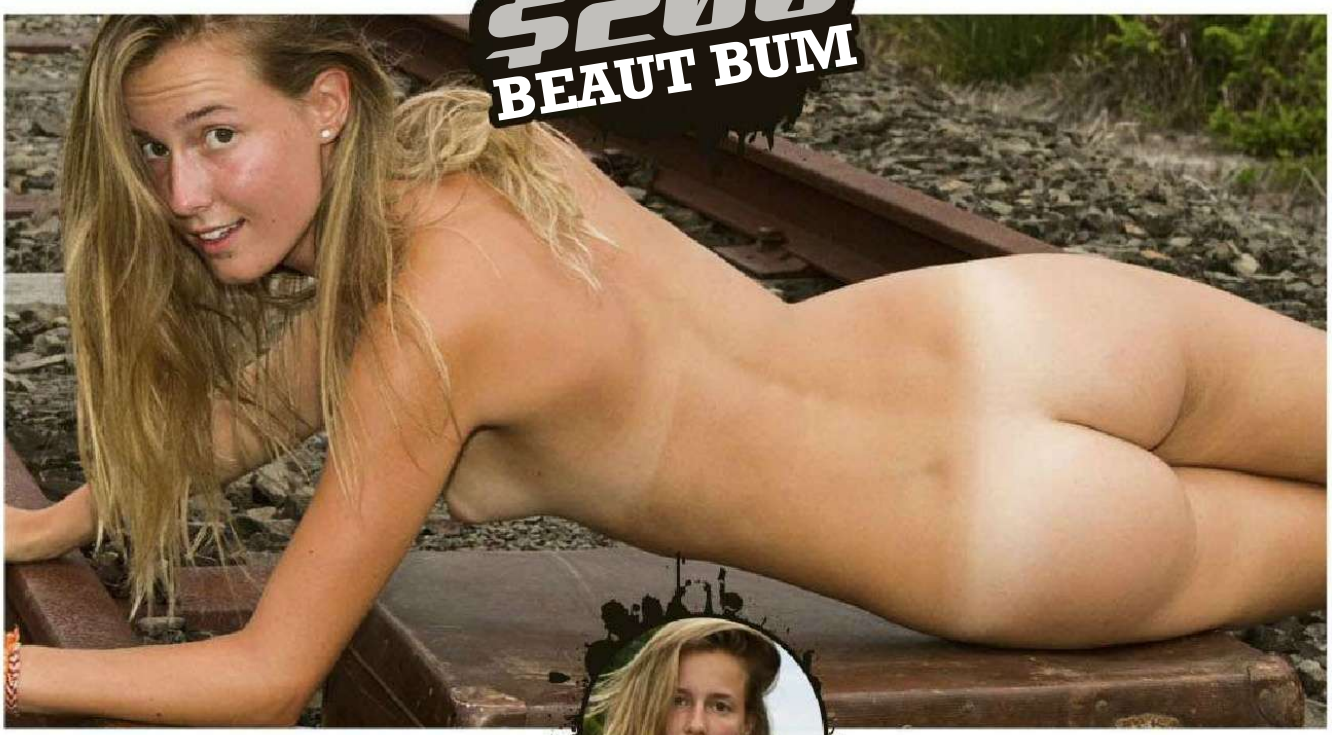
"To be honest, I haven't really been that explorative in that area yet. I worked at Sexpo once and we were given a show bag with vibrating cock rings in them. They were OK, but kinda just got in the way."

"I worked at Sexpo"



"We fucked for hours"

$200 BEAUT BUM



EMMA
BYRON BAY, NSW

Twenty-year-old French-Canadian Emma must be protein deficient, as she's looking to increase her SAUSAGE intake. "I've never been in a threesome with two guys before; only girls, or both genders. I'd like to feel dominated by two – or even three – men at the same time. To feel all those hands and attention on my body would be crazy. And to have two dicks just for you must be incredible." ***What threesome skills have you PICKED UP so far?*** "My favourite was with two of my girl co-workers. We passed all night looking at each other with this sexy look. We went in a room just to talk a little, then started to kiss really deeply, it was so exciting. We used all the objects that looked nice to play with, and we fucked for hours. We had too much fun, seriously." ***We're serious about having fun, too.***

HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY? "My favourite is obviously the shower. The feeling of that soft pressure on my pussy is amazing."

"I had some foreplay with a couple of girls"

PENELOPE
WHANGAPAROA, NZ

21-year-old Kiwi Penelope is looking to fulfil a fantasy that has probably already been experienced by altar boys the world over. "My ultimate sexual fantasy is having sex in a church." ***You like the idea of creepy old guys in robes? What about the fantasy that appeals?*** "I like the idea because of the risk that I could get caught." ***Besides a bit of CLERICAL ACTION, what else gets you moist and going?*** "Neck kissing, abs and lips." ***And what drives you wild in bed?*** "Hardcore sex." ***Just guys?*** "One New Year's Eve, I had a really horny experience." ***Tell us more.*** "I had some foreplay with a couple of girls when I was really drunk." ***Booze: is there no end to the miracles this magic elixir can provide us with?***

HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY? "I used the end of a hairbrush. And, no, it wasn't as good as I had hoped."

LISA
BRISBANE, QLD

"The most outrageously naughty thing I have done is to pose naked for this magazine," says 58-year-old Lisa. ***Surely, you've done something naughtier than that.*** "Well, I am a private escort operating out of a discrete apartment in the Brisbane CBD." ***In our books, that is pretty high on the NAUGHTY-O-METER. Tell us about earning a living in the loving trade.*** "I love what I do." ***We're sure your clients love what you do, too.*** "I feel that it is an extension of the caring person that I am, and from the background I have in several caring professions." ***We'll tell the missus that next time she finds a brothel receipt in the dirty laundry. How'd you get the word out that you are available?*** "I have my profile and recent, genuine, beautiful photos on several escort sites." ***Maybe stick these pics up, too.***

HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY? "Sorry, I can't think of an answer. I must only have people who aren't into very unusual things."

"I am a private escort in Brisbane"

GABRIELLA
GATESHEAD, NSW

Newcastle is famous for its Jets. And at 21-year-old Gabriella's place, jets are what hit the spot. "A new hot tub adventure over the weekend was great." ***We love vivid details when it comes to hot tub adventures. Tell us as many of them as you can.*** "It was a small hot tub, but I was up to my neck in bubbles, and balls deep." ***Who was the lucky owner of the BALLS?*** "A new boyfriend of mine. It was hot, sweaty and wet. I loved it." ***If you loved that, being in a spa with TWO PEOPLE would be TWICE as good. Ever been in a tub or spa with more than one other person?*** "That definitely would be a great experience." ***Yes, it would. We feel a 'but' coming...*** "But I have never been lucky enough to do it with more than one person. But I would definitely love to." **HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY?** "A cucumber. It was strange, but I wanted to try something new and unusual. It was very different, but a great experience."

POPPY
ALEXANDRIA, NSW

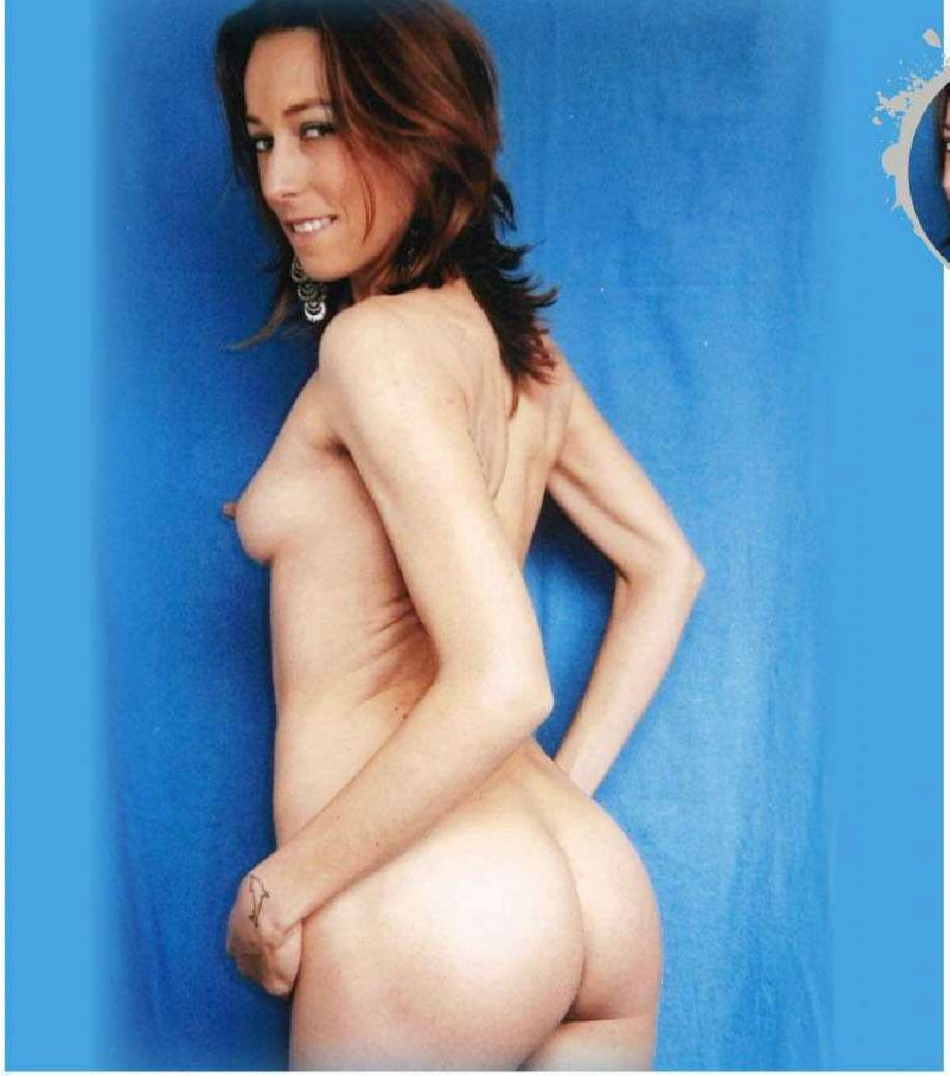
"I am that terrible 'hot nerd' stereotype," says not-at-all terrible Poppy, 24. "I read at least a book a week, watch documentaries every day and my ideal chill out is doing a crossword or playing puzzle games on my phone."

Surely you can be NAUGHTIER than that. "The naughtiest thing I've done is have a threesome with two guys in my ex-boyfriend's bed while he was out of town. It was a semi-accidental Tinder escapade. I was recently single and in the midst of a swiping frenzy, but hadn't yet moved out of the apartment I shared with my ex. I was just meant to be meeting one guy for drinks but he brought his friend along. We ended up back at home and I was hooking up with the original guy, when his friend walked in on us. He jokingly suggested a threesome and they were both surprised when I said, 'Heck yah!' MMF had been a fantasy of mine for forever."

HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY? "A vibrating razor. As if the companies don't know *exactly* what they're doing when they manufacture stuff like that."

JESSICA
COLLINGWOOD, VIC

This 23-year-old clerical worker likes to take the opportunities life throws her way. "I had sex on the beach. I was with a guy I was seeing, the beach was quiet and I had never done it before. So why not?" ***Did the sand get up your simply beaut bits?*** "Not up in my bits, but it got pretty sandy." ***Did anyone see you at IT?*** "I don't think so but the fact someone could have was exciting. I'm trying to be more adventurous so I never know what's next." ***Ever been watched having sex anywhere else?*** "I've had a threesome with my best friend and her partner: it was a big turn-on be watched. I've never recorded myself, but I want to." ***What sort of thing would you like to be filmed doing?*** "Probably just a girl-on-girl action video." ***Is LEZZO the best porn to turn you on?*** "Nothing hotter than girl-on-girl. Need I say more?" ***Nope.*** **HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY?** "No, I prefer proper toys because you can't make a cucumber vibrate."



"We ran back in only our undies"

SKY
BYRON BAY, NSW

"Well, my fuck buddy and I went to a resort in Coolangatta on the weekend," says nude yoga fan Sky, 33. "But the spa was broken, so after going loose down the street looking for fun, we ended up jumping a fence and using another resort's amazing spa outdoors with no-one around. Obviously, we had sex. And we didn't get busted. I love outdoor sex and will do it in mostly any location." ***Seems a shame you paid for a motel room and didn't USE it.*** "Motel room sex is actually boring. Unless you can pull out the mattress onto the verandah and have million-dollar views. After the spa, we ran back in only our undies at midnight. It was exhilarating and the adrenalin kept us going for a while longer after we got back." ***It appears motel room sex has a place sometimes.***

HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY? "We went for a bush walk and had a bondage session with vines, then found whips from another bush. It was great; you can find so much outdoors."

I have made out and been fingered down there, though." ***What do you do for a living on dry land?*** "I don't have a job. I fuck rich guys and they buy me pretty things." ***What is the prettiest thing a rich guy has bought you?*** "Sexy lingerie is always my favourite. But the naughtiest thing I've done is fucked a guy to get new dive gear for free. Although I am starting to experiment with roleplaying and bondage, too." ***Don't try that more than two metres under water. If a rich guy is a DUD ROOT, is he expected to up the quality of the gift?*** "Fortunately, that has never happened. Tinder is where you find dud roots."

Which was your fave?*** "It'd have to be the car park." ***You were also after a shopping trolley?*** "It doubled as a flexibility workout." ***Did you enjoy posing nude for our fine periodical?*** "I'm comfortable in my own skin, which helps and kinda feels like freedom and a bit like a goddess." ***How else can you feel like a goddess?*** "To have my body worshipped. FLASHBACK TO SEPTEMBER, 1999

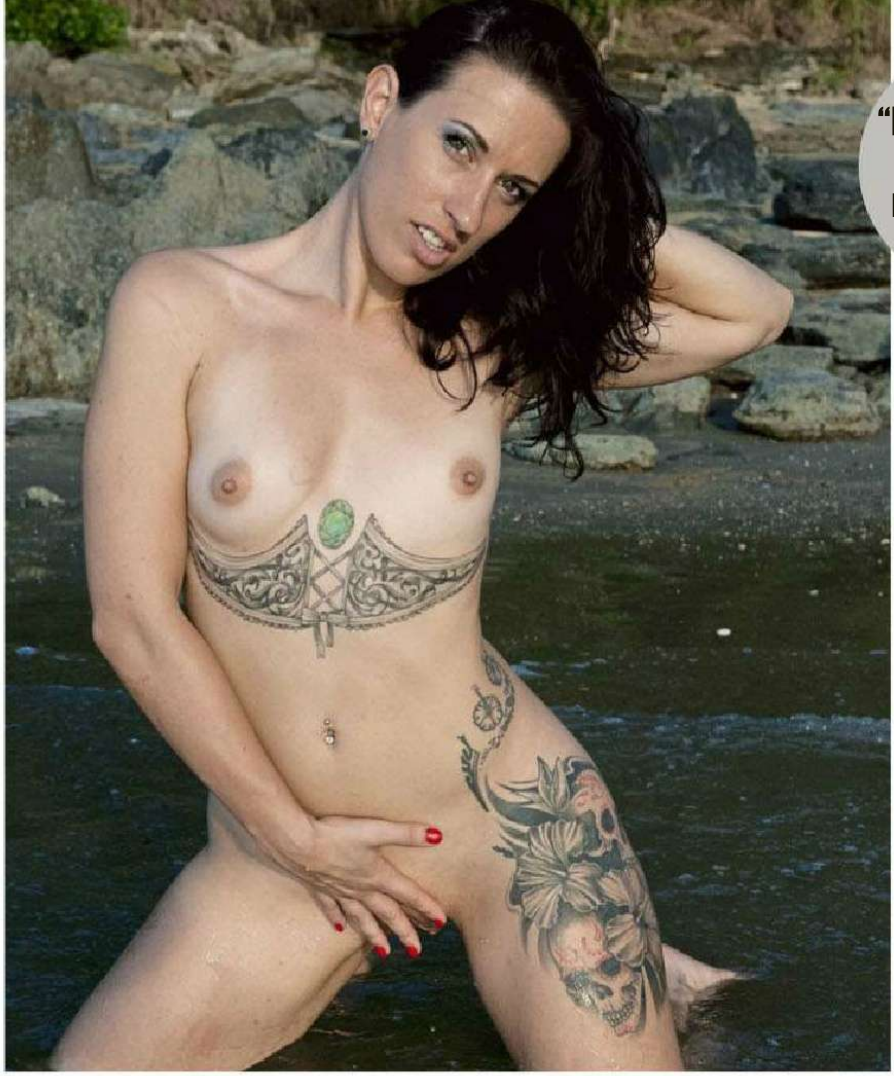
FOR the most part, September 1999 was remarkably quiet. We kicked off with an earthquake in Athens that killed 150 people, but our minds were elsewhere – namely, the champion smoos, tits and arses of our nubile homies, who sent our wangs in ALL KINDS of carnal directions. Somewhere, someone was punching heaps of cones, eh. Such is life!



"I watch porn and use my fingers"

SOPHIE
KINGSLAND, NZ

"I really like when people say to me, 'Hey, where are you from? Brazil?'" says 29-year-old French ambassador of spunkage, Sophie. ***Because you speak fluent Portuguese and kick a soccer ball well?*** "Because what I mostly like about my body is my butt. I am very grateful when a Brazilian guy s ays it." ***How do Kiwi blokes differ from your SNAIL-EATING compatriots?*** "I reckon Australians and Kiwis are a little bit too rushed for me, and selfish. Once I was with my boyfriend, we went to pick up a friend at La Gare du Nord in Paris. But she was late. So, I decided to take off his pants and slowly look after him. It was very exciting because it was just in front of the train station with many people around."

HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY?

"I don't use any toys as I need to have the feeling of skin. So to satisfy myself, I watch porn and use my fingers. It's the best way to know yourself and be awesome in bed."

"I prefer girl on girl"

JAYMEE-LEE

ESSENDON, VIC

"In my bedroom, I can be at my best or my worst," says 19-year-old Jaymee Lee. "And I do whatever I like in the comfort of my own space. It's also the most private; being the only room with a lock." ***What happens when the lock is in place?*** "Quite often; a bit of 'alone time' is the best time." ***Do you have toys to help you get through this alone time?*** "Of course. I like variety to choose from, depending on how I feel like playing." ***Do other rooms in the house get put to good use when others are out?*** "Definitely. The lounge has a big screen and couch, great to really enjoy my favourite movies." ***I imagine we aren't talking about DISNEY classics here.*** "Not Disney and definitely not classics." ***What genre of porn is your favourite?*** "I prefer girl on girl. I have no sexual preference between genders, but I love the beauty of women enjoying themselves."

HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY?

"It is not exactly a sex toy, but I love using coconut oil. It smells and feels amazing. It offers extra enjoyment."

"I have my trusty vibrator on hand"

MADDY
HARRISDALE, WA

Reality TV would have been marginally less shit if 30-year-old Maddy and her big, round boobs had had their way. "I got to the final stages of *Big Brother 07*, and just in final stages of *The Bachelorette* auditions." ***What qualities would you and your MONSTER MAMS have brought to the small screen?*** "I love to have fun. Recently, I was kind of dating three people for the past few months." ***Very impressive. We like a girl who can multi-task.*** "I think I got away with it for about three of the six months, but one of them started to clock onto it and messaged one of the other guys." ***Did it result in blood, tears and FLYING FISTS of fury?*** "I am still good friends with all of them; friends with benefits should I say. So it's worked out well for me."

HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY?

"No, I have never needed to. I have my trusty vibrator on hand, and that does the job every time. I am yet to find a partner who is more *50 Shades* than vanilla sex to spice things up a bit, though."

ROXANNE
ROSE BAY, NSW

When she's not adding up figures, 23-year-old tax accountant is offering other services to help a harmonious office environment. "When I was a junior in the office, I went a bit wild at our Christmas party." ***You spent 50 cents less on Kris Kringle?*** "Myself and the other junior, Sally, drank way too much champagne. It's free booze, so go hard or go home. We sneaked back into the bus the company had hired to take us all home and ended up drunkenly making out and touching each other thoroughly inappropriately." ***How was the first day back at work?*** "That was our last day of the year, and in the New Year, we pretended like nothing had happened. Until a few days later we're making 'sexy eyes' across the office cubicles. We tried making it a tradition but she ended up leaving the company."

HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY? "One of those shower heads in motel rooms that pull down, and you can adjust the stream by turning the nozzle thing. It's the best orgasm when they're on the full jet stream."

MISTY & DANI

ADELAIDE, SA

Owners of two lovely tattooed shaven havens, 21-year-old Misty and 23-year-old Dani are fans of good, clean fun. That is, they like having fun in places you normally get clean. **Dani:** "Misty has shown me a thing or two, that's for sure." ***You're pretty close to a lot of her things in these photos.*** **Misty:** "Once, I took Dani out for her birthday and showed her a good time." ***What is a good time? TENPIN BOWLING and a milk shake?*** **Dani:** "I'm not one to kiss and tell." ***Hopefully you are, Misty.*** **Misty:** "We had a few drinks in a spa without our clothes." ***What do like about her body as it slides into the spa naked?*** **Misty:** "I like that it's getting closer to me." ***What SKILLS did she show off in the spa?*** **Misty: "**I learnt she can hold her breath for a while." ***Just the two of you in the spa?*** **Misty:** "Just the two of us." ***If you need any volunteers to make that three, you know where to call.***

HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY?

Dani: "Misty loves *Star Wars*, so we tested out her light sabers. It was definitely a good time." **Misty:** "I felt the full force."

"I'm looking for a new couple to have sex with"

ROXY
TERRIGAL, NSW

Growing up on a property by the beach, 22-year-old Roxy always had a very active lifestyle – activities that take place both INSIDE and OUTSIDE the bedroom. "I had my first three-some a few weeks ago," blushed the Central Coast babe. ***And did you enjoy it?*** "So much! I definitely think I'll be trying it again, but I don't think it'll be with the same people." ***Uh oh, did something happen?*** "Oh, not with me, I'm fine. But it was with a friend of mine and her boyfriend – I think she got a little jealous when it was my turn to fuck her boyfriend and he seemed to love it!" ***Well, jebus, he's only HUMAN, right?*** "I reckon. So yeah, I'm on the lookout for a new couple to have sex with." ***We're sure you'll have no trouble finding that. Anything else you wanna tick off your ROOT LIST?*** "Not really; I think having a threesome was the only thing that really interested me and I've done that now." ***We hope that you consider your next fantasy and The Picture team. We're keen as mustard, and just as tangy.*** **HAVE YOU EVER IMPROVISED A NORMAL OBJECT INTO A SEX TOY?** "I used the handle of my hair-brush a couple of times before I got myself a real dildo."

01. BLACK BOX RECORDER

Invented by Dave Warren in1961, they're fucken DURABLE enough to survive fiery crashes, water or being buried.

02. PENICILLIN

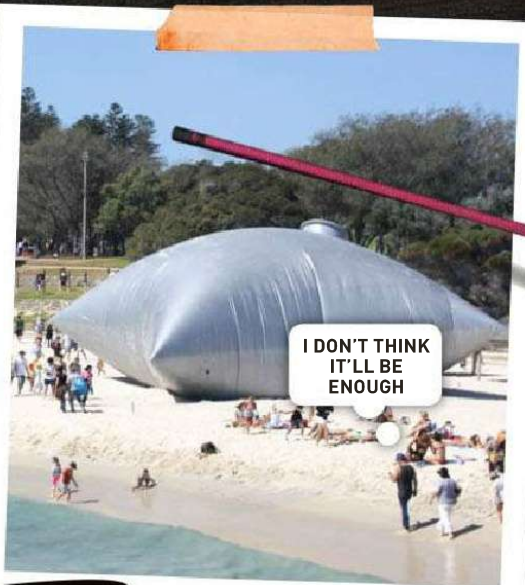
Generations of filthy penises thank brainiac Howard Florey for creating the wonder drug. Let's give him a big CLAP!

03. ULTRASOUND

If your mum backed you out after 1976, she saw your widdle wee-wee on a tiny TV screen invented by the CSIRO.

04. TRITON WORKCENTRE

In 1975, Aussie TV journo George Lewin developed a stable work-bench for DIY fuckwits to cut, drill and clamp shit without mangling our stubby digits.



05. THE GOON BAG

Thomas Angove of South Australian winemakers Angoves first slung it together in the early 60s, and it was widely adopted by 1970. No party is complete without one hanging off the Hills Hoist.

06. WIFI

Before the internet was known to blokes looking for PORN, the CSIRO was looking for black holes in outer space, which somehow became WiFi.

07. WINGED KEEL

It was thunked up by Ben Lexcen, a marine architect, specifically to fuck over the Seppos AND win the 1983 America's Cup. Mission accomplished!

08. FEATURE FILMS

The world's first full-length feature film, *The Story of the Kelly Gang*, was an hour long, and released in 1906. Ned Kelly had SWUNG just 25 years before. The lead actor wore Ned's ACTUAL suit of armour. Just 17 minutes of the film survive.

09. THE UTE

As popular now as they were when they first rolled off the Holden production line back in 1952. Revheads, tradies and farmers love the bloody things, as do all RIGHT-THINKING humans.
